

Your support for the **Hospitality Project** at Shiloh-Sixth Avenue United Church helps

Prevent **families** from becoming **homeless**

Financial contributions, volunteers and prayers all help in our effort to prevent families and individuals from becoming homeless.

Shiloh-Sixth Avenue United Church

1111 Sixth Avenue, New Westminster V3M 2B7
604-522-3443 www.shiloh-6ave.net

“A warm and safe shelter can keep a family from dying; only a home allows a family to flourish.”

Jane Kinegal, 1989

History matters in homelessness because it is much more difficult to reduce homelessness, than to not increase it. In other words if we do nothing and everything else stays the same, the crisis of housing and homeless problem will increase. The time to act is now. Your financial contribution will help.

The Hospitality Project provides:

- > Support for the New Westminster Food Bank, the largest depot in the Lower Mainland serving over 500 individuals a week (representing over 1100 people)
- > The HP Drop-in on food bank days
- > Resource information and referral
- > An Advocate to assist with critical issues
- > Courtesy telephone
- > Clothing and household goods
- > A children's and family's drop-in run by NW Family Place
- > High school teacher provided by the NW School District
- > Community services such as health and nutrition
- > Support for 12-Step recovery groups

Thank you for support from the Government of Canada National Homelessness Initiative, Kairos and Zentraba Communications and many individuals
